Lessons

Last week’s lesson focussed on the expectation Responsible paying particular attention to Thinking Positive. There are two types of self-talk, positive self-talk and negative self-talk.

We need to train our brains to use positive self-talk and images to help us reach our potential.

Dear Parents /Carers

It was my absolute pleasure to listen to the speeches by Year 5 students making a claim for school leadership positions last week. All students spoke with confidence and an obvious passion for their school. All students showed great leadership potential, and while school elections are difficult, as capable students miss out, I look forward to working with all students as senior members of the school next year. I look forward to making the announcement of Captains, Vice Captains and School Councillors at next Monday’s Presentation ceremony.

Our Presentation ceremony is the culmination of a year’s hard work across academic, cultural and sporting fields. We hope you can join us on this occasion.

I would like to repeat the thanks I gave at yesterday’s volunteer morning tea as I know some volunteers were not able to attend. Your generosity towards our students really makes a difference, so thank you for your time and caring!

We look forward to you coming and supporting us again next year!

Kind Regards

Jenny Crain - Principal (Rel)
